WELCOME TO THE 3RD ANNUAL

Midsummer Holistic Expo!

This expo is hosted by Therapeutic Thymes Magazine, a quarterly holistic magazine – available in print or digitally. We are dedicated to promoting a more natural, therapeutic, and sustainable way of life.

Thank you to all of our wonderful vendors, advertisers, volunteers, and of course our attendees.

A humble thank you to our Keynote Speaker - Eagle Skyfire. She is the author of “Journeying Between the Worlds: Walking with the Sacred Spirits Through Native American Shamanic Teachings & Practices”. She offers many services both in-person and virtually such as Traditional Native American readings in addition to teaching classes on Native American shamanism.

Mark your calendar for next year’s show. It will be Saturday, 13 July and Sunday, 14 July 2024.

Again, welcome and thank you.

Blessings!

Jan Helen McGee

Ghosts & Spirits: An Easy 1, 2, 3 – Do your passed-on loved ones come to you in spirit? Find out how to draw them in, or how to kick disgruntled ghosts out. Never fear, spirits have been with us for a long time. janhelenmcgee.com

Eagle Skyfire, Keynote Speaker

Connecting with Your Spirit Guides. It is comforting to know that you have spirit guides to assist you in life. Conversely, it can be frustrating when you're not sure how to identify them or communicate with them. In this interactive workshop Eagle Skyfire teaches you how to do that and how to properly interact with the spirit beings that are helping you. Safety, ethics, and discernment will be touched on as well.

Sabrina McQuarrie, of Sabrina's Spells and Crystals

Join Sabrina for a workshop to teach beginners who are interested in spell work about crystals, herbs, and color magick. She will also teach how to grind herbs with intention, about different herbs and their properties, how herbs and crystals can be used together, and about different colors and their meanings.

Kathy Stillings, Heart Song Connection, LLC

Sound healing and the healing power of frequency.

Kate Andrews, of LifeWave Phototherapy Patches

Kate will speak on the technology behind phototherapy patches and stem cell activation.

Roxanne Foura, QHHT

Roxanne will speak on "The Law of Attraction" and manifestation.

Sandy Bottoms, of Sandy Bottoms Crystal Creations

Sandy will speak Sunday morning on the 10 most important crystals to start your collection with!

Lisa Paris, of Astromythic Astrology

Lisa will speak on Reincarnation: Evidence and Implications – a survey of the evidence for reincarnation and an exploration of science theories, near-death experiences, healing modalities and case studies that support multiple simultaneous experiences for the soul.

Amy Henderson, with Black Walnut Botanical Conference

Amy will speak on Remedies of the Rose.

Tansy Rodgers, beU Complete

“Managing Energy Vampires For Optimal Health & Happiness” - You encounter and are impacted by energy vampires each and every day. To create optimal health, balancing your energetic body and learning how to manage how you interact with the world around you is key. Through simple visualizations, body movements, nutritional choices, and many other tools, you can learn how to protect yourself from energy vampires and boost your health and happiness at the same time. In this interactive

lecture, you will learn what kind of energy vampires are lurking all around you as well as tips and techniques to bring harmony and energetic balance. By consciously merging mind, body, and spirit, you can create a life full of vibrant, long-lasting health and well-being that is abundant with joy for a lifetime.

Lana Ryder, Soundwise Health Associates

“Vocal Sound Healing – Anyone Can Do It”. Lana Ryder will speak on using your voice for healing with the frame drum, Himalayan bowl, or by itself.
